We will take a two hour sail aboard the Denis Sullivan, the world’s only recreation of a 19th Century Great Lakes three masted wooden schooner. Schooners were the prominent vessels on the Great Lakes from 1833 to the 1890s and into the 20th century. Once we are back on land we will discover that not many Milwaukee restaurants have as much history as Mader’s. We will dine amid a stunning $3 million dollar collection of art, suits of medieval armour and antiques dating back to the 14th Century. Mader’s has been voted the most famous German restaurant in North America. Our delectable German lunch will include Bratwurst, Knackwurst and Rhine Sauerbraten all served with a tossed green salad, German potato salad, boiled red potatoes, red cabbage, sauerkraut, rolls and butter, dessert and a beverage. Moving on in the afternoon, we will get a chance to experience old world charm and hospitality at its finest as we tour Best Place at the historic Pabst Brewery. The Pabst Brewing Company was the first of the great Milwaukee brewers. Quality, pride, tradition, and hops were the ingredients in the legacy left by German immigrant Jacob Best Sr. who established the brewery in 1844.
